## About College

The **Institute of Diploma In Pharmacy (Govt. Aided), Wardha** is managed by the **Vidarbha Youth Welfare Society, Amravati**. The V. Y. W. Society was established in the year 1965, with the objective to uplift the rural students in academic excellence particularly in the field of Pharmacy..

The **Institute of Diploma In Pharmacy (Govt. Aided), Wardha** was established in 1982, A pioneering Pharmacy Institution in Vidarbha region of Maharashtra. The Institute provides instruction leading to Diploma course in Pharmacy. Around 120 students from all corners of India are studying in the Institute. A beautiful campus of Institute is spread in an area of 5 acres. Well equipped laboratories, rich library, qualified and experienced staff and high academic standard have made the Institute as one of the premier Institutions in Maharashtra. Pharmaceutical field is evolving day by day and contributing more and more to the wellbeing of the society.

## Mission

To educate and empower aspiring pharmacists through innovative research, comprehensive education, and compassionate healthcare service.

## Vision

A leading pharmacy college dedicated to advancing pharmaceutical education, research, and healthcare through innovation and excellence.

## Health Advocates

The pharmaceutical field's constant evolution significantly contributes to societal well-being. VYWS Institute of Diploma in Pharmacy (Government Aided) was established in 1992 with the mission of cultivating proficient pharmacists dedicated to health promotion, surpassing the mere production of medicines.

## Collage Activity

# Ganesh Festival Ceremony

IDP Wardha celebrated Ganesh Chaturthi with vibrant festivities from September 19 to 29, 2023.

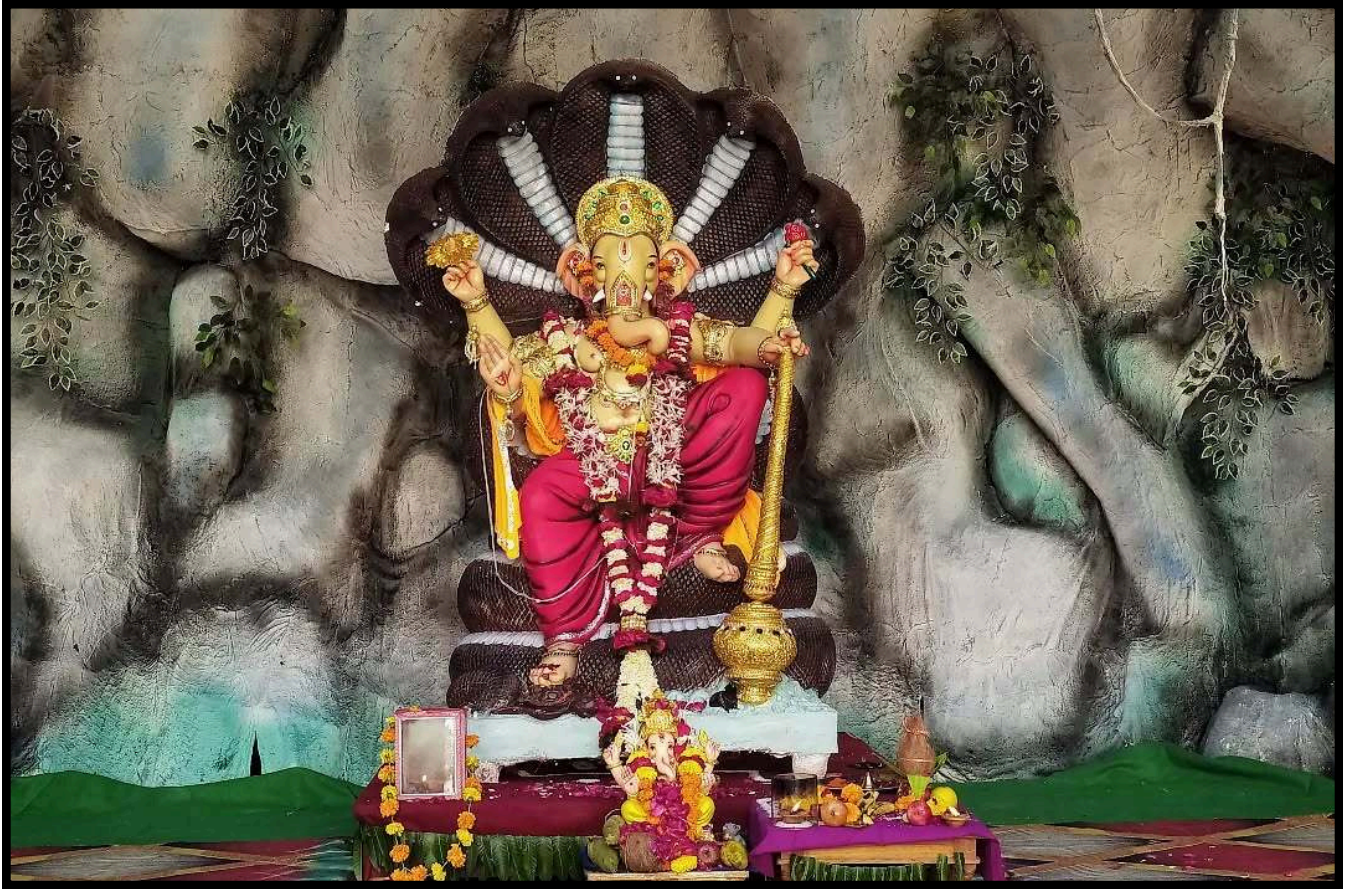

**Idol Installation:** A beautifully crafted idol of Lord Ganesha was installed on campus.

**Puja and Aarti:** Daily rituals, including puja and aarti, were performed, inviting students and faculty to participate.

**Cultural Programs:** Various cultural activities, such as dance and music performances, showcased the spirit of the festival.

**Community Engagement:** The celebration encouraged participation from local communities, fostering unity and devotion. The event culminated with the immersion ceremony, marking a heartfelt farewell to Lord Ganesha.

# Water Plant Visit

## Batch 2023-24

**IDP Wardha recently organised a visit to a water purification plant as part of their educational activities. During the visit, students learned about the water treatment processes, including coagulation, flocculation, and disinfection, which are vital for ensuring safe drinking water. The objective was to provide practical knowledge on water purification methods and the importance of clean water in public health. This hands-on experience aimed to enhance students' understanding of water quality management and its significance in their future careers in healthcare and pharmacy**
